

PAYMENT AGREEMENT

Parent signatures below are required as part of the student's registration.

1. The annual registration fee is \$50 per family (not per student) until June 30, 2019. **Online registrations are not considered complete until the registration fee has been paid.** The annual registration fee increases to \$65 between July 1 and July 30, and \$80 if received after August 1, 2019. If the student withdraws before school begins, the annual registration fee is non-refundable.
2. Tuition fees are due 40% by August 1, 2019, 30% due by November 1, 2019, and the remaining 30% due February 1st for students taking more than one class. If a student is enrolling in only one class, full tuition is due by August 1, 2019. If a student withdraws before school begins, then a tuition refund will be given. However, a \$20 processing fee will be retained for each class.
3. **Full payment (100%) of the tuition is due even if the enrolled student does not finish the course(s).** This is standard practice among private school options and must be considered before enrolling your child. Commitments to teachers and other costs are made before the beginning of the academic year. Teachers also make commitments to teach based on enrolled students.
4. Any checks returned by the bank for any reason must be replaced immediately plus any fees charged by the bank.

We agree to the above payment terms.
